## ***SKATING CLUB OF WESTERN NEW YORK***

### **GENERAL RULES**

1. Skaters must check in for each session with the Ice Manager. If you are using an Ice Card please have the card with you when checking in. **NO EXCEPTIONS.**
2. Skaters should avoid interrupting skaters who are in a lesson. Never talk to a professional during another skater's lesson; you will appreciate the same consideration when you are having a lesson.
3. There should be no standing around or talking at the boards. Do not socialize in groups in the corners.
4. Skaters heard using profanity or engaging in improper behavior will be ejected from the session.
5. During dance time, free skating and moves-in-the-field are not allowed unless you are in a lesson. Dance time is only for skater's that are currently working on dance.
6. Do not race, play tag, or practice hockey techniques.
7. Music must be turned in to the music player upstairs. Music will be put in order according to when it was turned in. Professionals can have a skater's music played out of order when they are in a lesson only.
8. The skater whose music is being played has the right-of-way. Other skater's must make every effort to stay out of that skater's way.
9. Be courteous and positive with your fellow skaters and parents.
10. Clean up your tissues, cups and other items left on the boards.
11. Skaters should exit the ice at the end of their sessions. For everyone's safety, no one should be on the ice when the Zamboni is out.
12. If you have a question or concern with the policies and procedures of the SCWNY, please see a Board Member for assistance. The club will not tolerate any character defamation or threats made to any member of the club.

Thank you,

**The Board of Directors**
