

2017 – 2018 SCWNY Membership Letter

Thank you for your interest in the Skating Club of Western New York (SCWNY). This letter contains information for the **2017—2018 season**.

To keep your USFS membership current, dues must be paid by **June 30, 2017**.

SCWNY membership fees and all forms should also be submitted at this time.

The SCWNY is a non-profit, volunteer club. **Our continued success depends on the active participation of all of our members.** We have **TWO non-negotiable requirements:** (A 3rd is only for ice show participants).

- **DUES/FORMS** - SCWNY and USFS **annual dues and ALL completed forms must be submitted yearly.**
- **SPRING SKATE FESTIVAL, MAY 19-20, 2018.** All testing, introductory, full, and non-home club members (the only exception to this requirement is the collegiate membership) are **REQUIRED to work as many hours as needed to fill our volunteer schedule** during the weekend of the **Spring Skate Festival, May 19 & 20, 2018.**

The minimum number of hours required is **TBD** on a yearly basis, and subject to change dependent on current club membership enrollment.

If a member is for **ANY** reason unable to fulfill their required hours it is their responsibility to find a replacement.

Hours do not need to be completed by a SCWNY club member but the volunteer must be 18 years of age or older. A skater under the age of 18 years of age may not complete the required hours. If a member is over the age of 18 years of age and is also a competitor/skater they must still complete the required volunteer hours. Volunteer hours may be compiled by one or more qualified persons.

If for **ANY** reason the volunteer (parent, guardian, skater or competitor) is unable to fulfill the required volunteer hours, and if a replacement cannot be found, a medical release must be submitted to the SCWNY Board of Directors at the time of registration clearing them from **ALL** possible volunteer positions.

If the volunteer that is unable to perform the required hours is a skater/competitor the medical release must simultaneously state that although the skater/competitor is unable

to fulfill their required volunteer hours they are cleared to skate/compete on a day to day basis.

SCWNY recognizes all current HIPPA laws and may not require the disclosure of personal medical history unless initiated by the member. However, SCWNY will require a registered physician that is personally, and currently, overseeing the patient's condition (not a family member that is a DR.) to give adequate information to justify the release from volunteer duties.

Possible volunteer positions include but are not limited to; set up, tear down, convening, announcing, music, check-in, awards, copying and hospitality.

Volunteer hours can be broken into short increments and do not need to be served sequentially.

Several volunteer positions do not require standing, and have limited to no physical exertion. In the event that all current volunteer positions are too physically demanding for the volunteer the SCWNY Jr. Board will make all attempts to find a position that the volunteer is physically able to perform.

A list of adult volunteers, and hours completed will be kept for reference as proof of service completion by the current Spring Skate Competition Volunteer Chair. For information concerning volunteering for the Spring Skate competition please contact Kate Marchuk at marchuk716@gmail.com

In addition to an adult working the required volunteer hours, **ALL** SCWNY skaters are **REQUIRED** to run judges' scores regardless of if they compete. The minimum number of hours required are **TBD** on a yearly basis, and subject to change dependent on the current club membership enrolment.

If a skater is under the age of 12, they must shadow an older skater for a minimum number of hours **TBD** on a yearly basis, and subject to change based on the current club enrollment.

If a skater is under the age of 8, the number of hours required, and volunteer positions will be determined on a case by case basis by the current SCWNY Jr. Board Advisor, the current SCWNY Jr. Board President and the skater's parent/guardian.

If for any reason a skater is unable to complete the required runners hours a signed note from the parent/guardian explaining the reason for release must be submitted to the current SCWNY Jr. Board Advisor and the current SCWNY Jr. Board President no later than two weeks before the annual Spring Skate competition. If the skater is released from their volunteer hours the skater is responsible for finding a replacement.

All other requirements and explanations related to adult volunteers for the Spring Skate competition apply towards runners of the Spring Skate competition.

A list of skater volunteers, and hours completed will be kept for reference as proof of service completion by the current SCWNY Jr. Board President. For questions concerning volunteering for the Spring Skate runners schedule please contact Payton Bierk at pbierk262@yahoo.com

- **Ice Show Participants.** If you or your skater chooses to participate in the Rising Stars on Ice Show, a volunteer commitment is required to support that event. A list of volunteer positions will be made available for participants and family members to choose from. **All participants must help with both set-up and clean-up.** All requirements and explanations related to volunteer duties for the Spring Skate competition apply. A list of volunteers, and hours completed will be kept for reference as proof of service completion by the current Ice Show Chair. For questions concerning volunteering for the ice show please contact

Tammy Beckman at beckmama5@aol.com

- **Club Sanctions.** If **ALL** requirements are not met by members and/or responsible family member(s) **ALL** club financial benefits accrued from the entire year (retroactive) affected, including but not limited to, grants, scholarships, ice card discounts, seminar discounts, booster accounts and their potential applied club coverages such as membership, ice show costs, ice test session fees, banquet fees etc., must be repaid to SCWNY in full before membership registration will be renewed. In addition to, or in the absence of the full reimbursement of all financial discounts and/or benefits, violations of these requirements may require rule of action to be taken by the SCWNY Sr. Board of Directors. All actions are TBD on a case by case basis and may include but are not limited to, the loss of club acknowledgements, the temporary or permanent loss of club booster accounts, revocation of club membership, and/or placed in "not in good standing" with USFSA. SCWNY acknowledges that life can be complicated and that emergencies do happen. In the event that a personal situation arises that does not allow for a member to complete volunteer requirements please contact the current SCWNY Board President **Jeff Szczesek at jeff@basesny.com** or the **SCWNY Board of Directors at scwnyboardofdirectors@gmail.com** as soon as possible.

Solicitation, Promotion, & Tampering

The Skating Club of Western New York would like to inform all members of the following behaviors which are not acceptable.

PROMOTION — is done publicly. It is appropriate for all coaches to promote their background and credentials to the entire world. This information can be posted in a public space at the rink, advertised in a flyer or promoted in a newspaper — as long as the opportunity is available to all and the audience is general. Many coaches say they promote themselves through their work. Their student's accomplishments are their "advertisement". That, unequivocally, is the best way to promote oneself.

SOLICITATION — is done behind the scenes. It is clandestine and usually conveyed one to one and not in a public forum. Solicitation can be done by a coach, a parent on behalf of the coach or by rink management favoring one coach over another. It is considered solicitation for a professional to contact a skating student, not their own, when a significant motive for doing so is the personal gain of the skating professional. Solicitation includes contact directly, indirectly or through a third party, in person, by telephone, letter or other means directed to a specific recipient.

TAMPERING — is helping someone else's skater by offering a suggestion that might improve their skating. This gray area extends to such subtle tactics such as sending another coaches' student a birthday card. Another example would be holding a pizza party and inviting other coaches' students. The sentiment may be sincere, but the perception is suspect.

In an excerpted article written by Bob Mock several years ago entitled, "Just Say NO to Soliciting!" he offered some great words of wisdom. "Soliciting destroys skaters, clubs and rink programs. If soliciting is going on in your area, the good coaches, parents and skaters must band together to stop it. Every skater has the right to believe his coach is the best and should not be interfered with by a high-pressure, fast-talking, snake oil salesman who promises stardom, but by his own action, lacks the very qualities needed to develop championship caliber skaters. The soliciting coach always loses in the end. Don't be the next victim."

Here is a list of some common methods of solicitation:

Directly approaching a parent (or child) stating:

"I could take your child further (to the Olympics, etc.)."

"I am a much more qualified coach than is."

"Join our program. That other program isn't very good."

"We'll give your child free (lessons, ice time, equipment, etc.)." **Indirect approach:**

Being overly friendly to the skater. (Giving hugs, offering assistance with skills on the side.)

Ego boosting. ("You did so great today.")

This one gets tricky. It's ok to be encouraging and to help a fellow coach instill positive feedback. However, it's when it's excessive that it crosses the line into solicitation. **Third-Party approach:**

Parents in the stands talking and convincing other parents to switch their skater to the "better" coach.

Skaters in the dressing rooms, on the ice or out of the rink persuading another skater to become part of "the group of good skaters".

Coach's spouse talking to parents both in and out of the rink. "My husband/wife could do so much more for your child." Sponsorships. "We (business) will sponsor your child, but only if they take from _____ or only skates at _____ rink." **If you witness any form of solicitation, it is your obligation to:**

Tell your coach immediately.

Notify the club president.

Avoid soliciting coaches for your own best interest.

Document what you have seen and/or heard. Include dates, times (if possible), method of solicitation, names of parties involved and what occurred.

You may remain anonymous when reporting solicitation. Document as suggested above and report it immediately. The coach, manager or president will investigate the report and follow necessary procedures while maintaining your confidentiality.
