SKATING CLUB OF WESTERN NEW YORK
29th ANNUAL SPRING SKATE FESTIVAL
MAY 19 & 20, 2018

ELIBILITY

The 29th Annual Spring Skate Festival is open to all skaters who are current eligible (ER 1.00) members of U.S. Figure Skating or Skate Canada or the Basic Skills Program.

The 29th Annual Spring Skate Festival will be conducted according to the rules set forth in the 2017-2018 U.S. Figure Skating Rulebook. Free Skate and short programs for levels Juvenile (excluding Open Juvenile) through Senior will be judged using the IJS system. All other events will be judged under the 6.0 system. For the Test Track and Well Balanced levels, eligibility will be based only upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition.

Categories determined by age and/or test passed as of **April 15, 2018**. Competitors may enter as many events as they desire, provided they meet the entry requirements. Skaters may not compete below their test level. Large events will be separated into flights with separate awards for each flight.

Boys will compete in their own events if sufficient entries are received.

Age restrictions/requirements: Skaters entering juvenile free skate events (well balanced program) must be under 14 years of age at the close of entries. Skaters entering open juvenile free skate events (well balanced program), must be at least 14 years of age at the close of entries.

Skaters entering beginner through pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one age group.

FACILITIES

The competition will be held at Holiday Twin Rinks, 3465 Broadway, Cheektowaga, New York (a suburb of Buffalo). Events will be conducted on a 85' x 200' rink. Snack bar and dressing rooms are available. Directions to the rink are available at: www.holidayrinks.com.

For all events where permitted by USFS, male and female skaters may compete against each other if there are insufficient entries to hold a separate event.
